COLLATERAL & REPOSSESSION TERMS

YOUR VEHICLE IS COLLATERAL FOR THIS LOAN. If you fail to make payment in full by May 14, 2026, TitleMax Auto Lending, LLC may repossess your vehicle without prior notice, at any time, from any location — including your place of employment or residence. Illinois law does not require a court order for repossession of a vehicle subject to a valid lien. After repossession, you will have 10 days to reclaim your vehicle by paying the full outstanding balance plus repossession fees, daily storage fees of \$35.00, and a reinstatement fee of \$150.00. After 10 days, your vehicle may be sold at auction.

GPS MONITORING DEVICE

As a condition of this loan, a GPS tracking device has been installed on your vehicle (2018 Honda Civic, VIN: 1HGCV1F34JA00XXXX). TitleMax reserves the right to monitor the location of your vehicle at all times during the loan term. In the event of default, TitleMax may use this device to locate and remotely disable your vehicle's ignition starter. The cost of this device (\$75.00) has been added to your loan balance.

Note: The GPS device fee of \$75.00 and the lien/title fee of \$50.00 are not reflected in the TILA disclosure above, as TitleMax classifies these as non-finance charges. Your actual total cost of this loan exceeds the TILA disclosure by \$125.00.

RENEWAL / ROLLOVER

If you are unable to repay the full balance on May 14, 2026, you may renew this loan for an additional 30-day period by paying the finance charge of \$262.50 only. Your principal balance will carry forward. There is no limit on the number of renewals.

Example: A borrower who renews this loan 6 times before repaying principal will pay \$1,575.00 in interest charges alone on a \$1,500 loan, for a total repayment of \$3,075.00 — more than twice the original loan amount.
