Dear Ms. Johnson,

This communication is from **National Recovery Associates**, a law firm retained by Premier Credit Card Services to collect the above-referenced debt. Our attorneys have reviewed your account and determined that your continued failure to pay constitutes willful evasion of a lawful financial obligation.

You are hereby notified that unless the balance of **\$4,218.00** — which includes your original principal of \$3,100.00 plus accrued interest of \$618.00, a collection processing fee of \$300.00, and an account re-activation fee of \$200.00 — is paid in full within **7 days** of this notice, we will have no choice but to pursue all available legal remedies.

These remedies include but are not limited to: referral to the appropriate authorities for issuance of a civil arrest warrant, immediate garnishment of your wages and bank accounts, and placement of a lien against any real property you may own in the State of Illinois.

Please be advised that your employer, *Springfield Unified School District*, has already been contacted regarding this matter to verify your current employment status.
